

Internship in Physics of Accelerators and Related Technology for International Students PARTI 2010

Fermi National Accelerator Laboratory (located near Chicago, IL, USA) opens registration for the summer program Internship in Physics of Accelerators and Related Technology for International students (PARTI). This internship program has been developed to familiarize selected university students with opportunities at the frontier of scientific research in physics and technology of particle accelerators. The 2010 program will accept only students from the universities of the former Soviet Union. Deadline for applications is January, 7th, 2010. Please see details on PARTI 2010 web site.
